Happy Birthday, Isadora!

Join us for an intimate Salon experience, where the dance performance will be followed by a reception to meet the dancers, guest artists, Board Members, and the team behind the scenes at The Isadora Duncan Dance Foundation.

We will be serving foods and libation fit for the Gods, including fig infused vodka, wines and waters, artisanal cheeses, tea sandwiches, garden vegetables, and a spread of homemade cookies and cakes.

“I would urge everyone to visit a performance of this unique group and pay homage to one of the greatest artists ever...!

The legacy of the great revolutionary dancer has been kept alive by generations of dedicated Duncan dancers, but the most wonderful, consistent revival has come from the Isadora Duncan Dance Foundation under the artistic guidance of Lori Belilove... a glorious "salon" performance.

While the young women of the company took turns in irresistibly charming dances to Schubert, to Chopin mazurkas and Brahms waltzes saluting the joys of love, Lori Belilove, in her several solo
appearances **touched on the pain of love** - her dancing reaches the **tragic grandeur** which characterizes the mature Isadora."
