Happy New Year!

Dear Friends of the Duncan Foundation,

What did you do over the holiday break? De-cluttering? I, myself, swam knee deep in IDDF archival videos... The goal? To complete digital conversion of the last 150 videos (old formats 3/4" tape, VHS tapes, mini DVDs) to files that we can access and view in seconds! Thrilling! And my motivation has been: "What's an archive if it can't be easily accessed?"

This year we are excited to bring back our signature Salon Series of performances over Valentine's Day weekend, February 12, 13, 14 (matinee). Save the dates! Tickets on sale now.

This summer we will return to our favorite outdoor venues in NY, tour internationally to Greece, and to China in the fall. Classes continue at The Ailey School, The School at Steps, and McBurney YMCA. Teacher trainings are on-going over long weekends, and will be offered as part of our summer intensives in July and August with many of your favorite teachers.

See you in this New Year!
