The program of dances will be based on Greek mythology, from homage to the Greek gods Apollo and Dionysius, to the story of Orpheus and Eurydice with music from the operas of C.W. Gluck. The program will include dances created and performed by Isadora Duncan, as handed down directly from the original schools of Isadora Duncan to Artistic Director Lori Belilove. In addition, Lori Belilove has created dances to compliment the program within the Duncan style.

About the Duncan Dance Academy

The Duncan Dance Academy (DDA) was founded in 2012 in Shenzhen City, China, and appointed Lori Belilove as Artistic Director in 2015. Under Belilove, the DDA now offers Duncan Dance technique, repertory, and philosophy, as handed down directly from generations of Duncan Dancers to 3rd generation Duncan Dancer Lori Belilove.

As part of the inaugural year of the appointment Belilove has built Duncan Dance curriculum for ages 4-18 and will bring her Company to perform in Shenzhen in 2016.
